

As a resident of Bell County, I feel the the radio station 88.5FM/K-LOVE is a vital part of my day. I listen to this Christian music to encourage me and lift my spirits. If K-LOVE were displaced by an LPFM I feel that my community would not have a chance to here the good news of Jesus Christ through music. I do believe that the service provided by K-LOVE is in the public interest because the music and encouraging words spoken tell of the only thing that truly matters, knowing Jesus Christ as your personal savior. Please hear my cry--Keep K-LOVE on the air. Thank you and may God bless your life richly! Indy Nesby, Belton, Texas.
